## PROFILE

I am a native of Philadelphia, PA, currently residing in Charlotte, NC. The opportunity to travel and live in multiple states and countries has provided a passion to travel. The journey was both challenging and rewarding at the same time. I was fortunate to share many of those moments with my family. I am married to Vonetta P. McGhee of Baltimore, MD and we have 3 sons, 4 daughters, and 14 grandchildren. I look forward to working with others on leadership, mentorship and entrepreneurship.
